Joel,

The stylistic edits make sense and I agree, the Motion flows better.

So I will run this past Ken and City Attorney and we should be able to introduce next week.

Gerald,

Please see the enclosed. I didn't change any of the wording, but I think the motion reads better by shifting paragraphs around. I consider this a non-substantive change. If the change means having to go back to the CLA, just ignore my suggestion. Saving time is more important.

Thank you,

Joel
